COLLECTION

Shining Crown

I felt myself like a real fairy when i was creating the design of the new collection of our furniture «Shining Crown». I was thinking carefully of every detail , trying to animate each of them so that every child could get into the fairy tale and feel like a real prince or princess playing with our furniture. The royal luxury, soft colors and unusual shapes are combined with the modern design and functionality. The eco-friendly materials will delight the parents of every child! This special collection creates the magical atmosphere of the game and takes children and their parents into a world of fabulous fantasies! This collection will be the favorite toy for every baby for many years, your child will enjoy playing!

COLLECTION

Diamond Princess

The multifunctional game complex consists of a changing table, a wardrobe with a rod for hangers and two soft pull-out baskets with elegant bows. The set includes bedding made of 100% cotton, a soft mattress, a large pillow and a decorative pillow-cushion with elegant satin bows, as well as an oversized blanket to fully cover the dolls.

The headboard is decorated with shining rhinestones, all details are carefully crafted, and the edges are rounded so that the child's play is as comfortable as possible. The product is perfect for playing house. Such games allow the child to show its imagination and accuracy, to get acquainted with the concepts of responsibility and care.

A doll wardrobe will be an excellent solution for storing clothes and accessories of her favorite toys.

The wardrobe is divided into two parts, one of which has a bar for hangers, and the other consists of shelves for storing various things. The product has smooth lines, a cutout in the shape of a heart, and beautifully carved legs.

The designer floral decor has been applied to the doors, which can be tightly fixed with magnets.

Diamond Star

A wooden doll wardrobe will be the best solution for storing doll clothes and accessories. The wardrobe is divided into two parts, one of which has a bar for hangers, and the other consists of shelves for storing various things. At the bottom there is a roomy drawer, and the doors are decorated with a designer decor «scattered stars». A tight closing of doors occurs due to inbuilt magnets.
